Terms & Conditions

A non-returnable deposit of £20 per person is required to confirm the booking.
On receiving the deposit a letter/e-mail of confirmation will be sent to you.
The full payment (cash or cheque-we cannot accept cards) is due on your arrival.

Your guides are contracted to provide a safe and suitable experience each day. This can sometimes mean that objectives have to change at the last moment.
An alternative route will be offered in all but the most adverse of conditions. Should you choose not to take part then no refund can be given. If your guides decide that the conditions are too bad for walking on the two days of a weekend break, then a refund for the activity (not accommodation) will be given.

INSURANCE

The Scottish mountain environment is potentially dangerous throughout the year. Walking Appin carries Public Liability Insurance. We strongly recommend that you take out your own policy to cover equipment, personal accident and cancellation.

Relevant Insurance policies are inexpensive and are widely available in the classified sections of most outdoor magazines.
